**Appendix to Form for AD-1026
Highly Erodible Land Conservation (HELC) and
Wetland Conservation (WC) Certification**

The following conditions of eligibility are required for persons to receive any USDA loans or other program benefits that are subject to highly erodible land and wetland conservation provisions, unless an exemption has been granted by USDA.

By signing Form AD-1026, Item 13, the producer certifies receipt of this form, and unless an exemption has been granted by USDA, agrees to the following on any farms in which such person has an interest.

A	NOT to plant or produce an agricultural commodity on highly erodible fields unless actively applying an approved conservation plan or maintaining a fully applied conservation system.
B	NOT to plant or produce an agricultural commodity on wetlands converted after December 23, 1985.
C	NOT to convert wetlands by draining, dredging, filling, leveling, or any other means that would allow the planting of any crop, pasture, agricultural commodity, or other such crops.
D	NOT to use proceeds from any FSA farm loan, insured or guaranteed, received after December 23, 1985, for a purpose that will contribute to the conversion of a wetland to produce an agricultural commodity, or contribute to excessive erosion of highly erodible land as determined by NRCS.

NOTE: Signature on Form AD-1026 gives representatives of USDA authorization to enter upon and inspect all farms in which the producer has an interest for the purpose of confirming the above statements.

Any questions concerning the requirements of the Food Security Act of 1985, as amended, shall be directed to your County FSA Office personnel before signing AD-1026 in Item 13.

NOTE: The following statements are made in accordance with the Privacy Act of 1974 (5 USC 552a) and the Paperwork Reduction Act of 1995, as amended. The authority for requesting the following information to be supplied on this form is the Food Security Act of 1985, Pub. L. 99-198, and regulations promulgated under the Act (7 CFR Part 12). The information will be used to determine eligibility for program benefits and other financial assistance administered by USDA agencies. The information may be furnished to other USDA agencies, IRS, Department of Justice, or other State and Federal law enforcement agencies, and in response to orders of a court magistrate or administrative tribunal. Furnishing the Social Security Number is voluntary. Furnishing the other requested information is voluntary; however, failure to furnish to correct, complete information will result in a determination of ineligibility for certain program benefits and other financial assistance administered by USDA agencies. The provisions of criminal and civil fraud statutes, including 18 USC 286, 287, 371, 641, 1001; 15 USC 714m; and 31 USC 3729, may be applicable to the information provided by the produce on this form.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0560-0185. The time required to complete this information collection is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **RETURN THIS COMPLETED FORM AD-1026 TO YOUR COUNTY FARM SERVICE AGENCY (FSA) OFFICE (address printed in Item 6 of AD-1026A).**

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or family status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410 or call (202) 720-5964 (voice or TDD). HIGHLY ERODIBLE LAND CONSERVATION (HELC) AND WETLAND CONSERVATION (WC) CERTIFICATION

(See Page 2 for Public Burden and Privacy Act Statements).

1. Name of Producer	2. I.D. Number (Last 4 digits only)	3. Current Crop Year
4. Do all your farming interests have current NRCS determinations? If "NO", contact your County FSA Office before completing this form.		YES NO
5. Are you a landlord on any farm that will not be in compliance with HELC and WC provisions? If "YES", enter the farm number at the end of this statement, or contact your County FSA Office before completing this form:		
6. Do any of your landlord refuse to comply with HELC requirements on any farms? If "YES", enter the farm number at the end of this statement, or contact your County FSA Office before completing this form:		
7. List affiliated persons with farming interests. See Page 2 for an explanation. Enter "NONE", if applicable.		
8. During the crop year entered in Item 3 above, or the term of a requested USDA loan, did or will you plant or produce an agricultural commodity on land for which a highly erodible determination has not been made?		YES NO
9. On any land in which you have an interest, has anyone conducted any activities (since December 23, 1985) or will anyone conduct any activities (during the current crop year or the term of a requested USDA loan) to:		
(a) Create new drainage, conduct land leveling, filling, dredging, land clearing, or stump removal that has not been evaluated by NRCS? Indicate year if answered "YES":		
(b) Maintain, improve, or modify an existing drainage that has not been evaluated by NRCS? Indicate year if answered "YES":		
10. Will you conduct any activities for fish production, trees, vineyards, shrubs, building construction, or other non-agricultural purposes on lands for which a wetland determination has not been completed by NRCS?		

If answers to
Item 8, 9, or 10
are:

"YES" for any one of these items, sign and date in Item 11 below. A "YES" answer authorizes FSA to refer this AD-1026 to NRCS to make a HELC and or certified wetland determinations. DO NOT sign in Item 13 until the NRCS determination is complete.

"NO" for all of these items, complete Item 13. (Contact your County FSA Office if you are unsure about the answers to Items 9 or 10.)

11. Signature of Producer	I hereby certify that the information on this form is true and correct to the best of my knowledge.	
	Date: (MM-DD-YYYY)	
12. Referral to NRCS (Completed by FSA)	Enter a checkmark if a NRCS determination is needed because "YES" is answered in Items 8, 9, or 10. <input type="checkbox"/>	Signature of FSA Representative
		Date (MM-DD-YYYY)

NOTE: Before signing in Item 13, Read AD-1026 Appendix.

Continuous AD-1026 Certification

I understand and agree that my eligibility for certain USDA program benefits is contingent upon this certification of compliance with the highly erodible land and wetland conservation provisions of the 1985 Food Security Act as amended. This agreement shall serve as a continuous certification and agreement for subsequent crop years. For current and subsequent crop years:

- I agree to the terms and conditions stated on AD-1026 Appendix on all land in which I have or will have an interest.
- I agree that if there are any changes in my operation or activities that may affect compliance with these provisions, I will file a revised AD-1026.
- I agree to file any required exemption requests for each applicable crop year.
- I understand that affiliated persons are also subject to compliance with these provisions and their failure to comply or file AD-1026 will result in loss of eligibility to persons or enterprises with whom they are affiliated. (Affiliated person rules are printed on Page 2 of this form.)

Peter,

Scott Hoek yesterday to ask if a utility license was required for your Comfrey Wind Energy utility line crossings in Brown and Cottonwood counties near Comfrey. I explained to him that the heavy, dark solid lines represent public watercourses and they require a Lands and Minerals utility license. A few years ago, we stopped requiring a license for public ditch crossings (the dashed lines on the public waters and wetlands maps) though. For example, going south of Comfrey on Co Rd 1, the first protected water crossing is a public ditch (dashed line) which no longer requires a license and the second is Watonwan River (solid bold line) which does require a utility license. Scott mentioned that plans were to run a line along Co Rd 1 across the public ditch but not as far as the Watonwan River. So, if that's the only public waters crossing in Cottonwood County, you would not need a utility license for us in Cottonwood Co.

He also mentioned Sections 22, 27, 28, 32, 33, and 34, T108N, R34W in Brown Co. If you're running a utility line across the public waters in Section 22, you'll need a utility license. He mentioned that plans were to just purchase an easement there but not to run a line. In Section 28, it appears to be a dashed line -- public ditch; however, I need to double check the county level list that to make sure. I

The Division of Lands and Minerals website has the Lands and Minerals utility license application, instructions, and statutes. It's:

I also mentioned that you should check with the DNR Area Hydrologist to see if a DNR Waters permit is required. Tom Kresko is the Area Hydrologist for Brown and Cottonwood counties. His phone is 507-831-2900. His office is located at the Windom DNR office.

The Division of Waters website has the Division of Waters public waters permit application, etc.

Attached are the protected waters and wetlands maps for Brown and Cottonwood counties. They can also be viewed at the DNR Waters website:

If you could draw the proposed route on the maps, I will double check it for you.

**RESOLUTION
CITY OF COMFREY, BROWN COUNTY, MINNESOTA**

A resolution supporting the Comfrey Wind Energy, LLC wind project.

WHEREAS, Comfrey Wind Energy, LLC (CWE) has been formed by certain landowners in Cottonwood and Brown Counties of Minnesota with the goal of developing a 31.5 Megawatt wind farm near the City of Comfrey; and

WHEREAS, the Comfrey Wind Energy project is slated for development in sections 3, 4, 5, 9, and 10, Selma Township and sections 27, 28, 32, 33, and 34, Bashaw Township, and

WHEREAS, this project will be interconnecting to the transmission system at pole # 145 by the Alliant Substation located in Section 3; and

WHEREAS, Comfrey Wind Energy has requested a setback variance that would allow for projected wind turbines to be placed within the required setback limits of one mile from the boundary line of the City of Comfrey, but to exceed a minimum 750 foot residential setback.

WHEREAS, CWE is intended to be owned substantially by landowners and residents of the area, thereby deriving the financial benefits of the project, to the greatest extent, to the residents of the area.

The City Council's endorsement of the CWE project is based on the following findings:

1. Local Ownership-CWE is owned by area landowners and residents.
2. Local Economic Development-The project will result in an estimated \$50 million capital investment in the area near the City of Comfrey.
3. Increase in City/County Taxes-The project is projected to generate substantial production taxes for the benefit of the City and County Taxpayers.
4. The construction of the 31.5 MW wind farm will be a clean, non-polluting renewable energy project.

NOW, THEREFORE, BE IT RESOLVED, That the City Council of the City of Comfrey, MN, proclaims its support for the Comfrey Wind Energy, LLC wind project. Furthermore, the City of Comfrey grants the setback variance as requested.

Adopted by the Council this 2nd day of April 2007.

Gary Richter, Mayor
City of Comfrey
